Pay tribute to your loved one

The Wall of Hope gives faces to the Race for Hope DC. Whether you are participating in celebration of a survivor or in memory of a friend or loved one, we want to give you the opportunity to recognize the people for whom you are doing the Race. The Wall of Hope will be raised on Freedom Plaza on race day, and you are invited to contribute to this 24 foot long tribute to brain tumor survivors and those who lost their battles.

**Please note, original photos cannot be returned and cannot be removed from the Wall of Hope.*
